

Don't Miss These Workshops on Working More Effectively and Producing Better Outcomes with Your Clients

Workshop 1: Becoming Solution-focused in Brief Therapy

Would you like to help people more effectively?

Are you interested in better accessing the strengths of your clients?

Would you like to produce better outcomes sooner?

If so, then you will love this strengths-based approach to helping for counsellors, disability workers, employment consultants, teachers, psychologists, rehabilitation consultants, and other professionals in helping roles.

In this positive and empowering approach, you will learn how to:

Dates and locations

Alice Springs 9am to 3pm, **Thursday 10 November**
Crowne Plaza, 82 Barrett Drive,
Alice Springs

Brisbane 9am to 3pm, **Thursday 24 November**
Windsor International, Cnr Lutwyche
Rd & Bryden St, Windsor

1. Engage clients to do their part to help themselves
2. Apply people's strengths to their problem situations
3. Generate workable solutions to complex situations
4. Assist clients to break problem patterns of behaviour
5. Counsel more effectively with limited time

Workshop 2: Engaging and Motivating Difficult Clients

Do you work with clients who don't want to work with you?

Do you have clients who don't see any problems with their own behaviour?

Do you work with people who are unmotivated and resistant to change?

If so, then you will benefit from this program for counsellors, psychologists, disability workers, teachers, dieticians and other professionals in helping roles.

In this insightful and interactive workshop, you will learn to:

Dates and locations

Alice Springs 9am to 3pm, **Friday 11 November**
Crowne Plaza, 82 Barrett Drive,
Alice Springs

Brisbane 9am to 3pm, **Friday 25 November**
Windsor International, Cnr Lutwyche
Rd & Bryden St, Windsor

1. Engage well with non-voluntary or mandated clients
2. Take advantage of the 5 reasons people change
3. Boost people's motivation and ability to move forward
4. Help more effectively those clients who appear stuck and unable to move forward
5. Significantly improve outcomes with only minor adjustments to your approach

About the presenter

Ken Warren BA, M Soc Sc, CSP is an expert on People Management Skills and Human Behaviour. He draws on 28 years hands on experience:

- Counselling couples in conflict, people with alcohol and drug-related problems, and students who have been suspended from school
- Training professionals in working more effectively with their clients
- Supervising teams of counselling professionals in the government and community sectors, as well as his own private practice

You will enjoy his openness, his interactive style, and find his ideas easy to put into practice.

Ken is a great speaker for your next conference or in-house training day. Open the following links to [Download Ken's Promotional Flyer](#) or [Book Ken to Speak at Your Workplace](#).

"Ken's presentation on Solution-focused Brief Therapy was clear, to the point, and filled with interesting real-life scenarios. Can't wait to practise what I've learned."

Barbara Pavlich, Adolescent Inpatient Mental Health Unit, Royal Brisbane and Women's Hospital

"Ken's training sparked much enthusiasm and a realisation of what great work is being done. He also gave us new strategies in our work with young people with challenging behaviours and complex issues."

Kim Reid, Executive Director, Kids Youth Children Trust, Brisbane

"Ken's program on Motivating Difficult clients was comprehensive, tailored to our specific needs, and presented with the accumulated insight of an experienced professional. We appreciated the balance and professionalism of his delivery, not least his humour which made for easy listening. The response to this seminar was uniformly enthusiastic. Thanks Ken for an excellent seminar which was greatly valued by all involved."

Gary Christian, Director of National Programs, Adventist Development and Relief Agency Australia, Sydney
